Be Smart. Be Safe.

Welcome back to your Office!

To provide a clear and safe pathway for your return, we have worked hard to ensure One Grand Central Place has the highest standard of Indoor Environmental Quality.

Empire State Realty Trust is the first commercial portfolio in the U.S. to achieve the WELL Health-Safety Rating, an evidence-based, third-party verified rating for all building types, focused on operational policies, maintenance protocols, emergency plans and stakeholder education to address a COVID-19 environment now and broader health and safety-related issues into the future.

Empire State Realty Trust is now a Fitwel Champion, with 83% of the NYC portfolio earning certification. Fitwel is a third-party healthy building certification system that sets the industry standard for strategies that promote positive health outcomes for tenants and communities. As a leader in health and sustainability, ESRT earned Champion status because of everything that we already consider standard across the portfolio.

In addition, ESRT has earned the highest possible Global Real Estate Sustainability Benchmark (GRESB) 5 Star Rating and score of 88, an achievement that places ESRT in the top 20% of all respondents. GRESB is a rigorous global standard widely recognized as one of the best measures of sustainability performance of real estate companies and funds.

Our approach to Indoor Environmental Quality and sustainability has been verified through the most stringent international standard for health and wellness, to keep you safe in a post COVID-19 environment and to provide a healthy workplace. When you return to an ESRT building, you can return with confidence.

This work includes enhanced cleaning and sanitization procedures, health service resources, and industry leadership in air and water quality management. We have implemented policies, procedures, and technical solutions, and verified them through the most stringent international standard for health and wellness, to keep you safe.

Our conference center is open and available for your use with MERV 13 filters, increased outside air intake for additional ventilation, and bi-polar ionization in place.

Those who have returned to the office have seen first-hand that mass transit is cleaner than ever and many local businesses are ready to safely welcome you back.

We ask each person working in and visiting our building follow the below protocols for the health and safety of our community. Please be kind and courteous to building employees who are responsible for the enforcement of these protocols.

We are here to support you as you return to NYC and return to your office. Should you have any question, please call the **Building Management Office** at **(212) 697-0696**.

Thank you for your continued partnership.

ONE GRAND CENTRAL PLACE

— 60 EAST 42ND STREET —

NYC Vaccine Mandate

As per NYC mandate, effective December 27th, employees in New York City who perform in-person work or interact with the public in the course of business must show proof they have received at least one dose of a COVID-19 vaccine. Individuals will then have 45 days to show proof of their second dose (for Pfizer or Moderna vaccines).

Businesses may not allow any unvaccinated employee to come to their workplace.

A workplace is considered any location — including a vehicle — where you work in the presence of at least one other person.

In accordance with the New York City mandate, employers are required to complete and post an Affirmation of Compliance With Workplace Vaccination Requirements prior to December 27th, 2021.

Please click [here](#) for the link to the affirmation certificate.

This affirmation (and no other substitute) must be posted in a public-facing location within the office, such as a reception area. You are not required to submit the affirmation to building management.

ONE GRAND CENTRAL PLACE

— 60 EAST 42ND STREET —

Guests

- **All guests must be pre-registered online through Kastle Systems**
 - Upon entry, guests are to proceed to the visitor's desk to scan their government-issued ID and receive a visitor's pass.
 - There will be no opportunity for building staff to phone upstairs to approve visitors.
 - Unregistered guests will be instructed to reach out to be registered online.
 - If a QR Code was issued to any registered guest, they may proceed directly to their respective elevator bank and scan their access code on the turnstile for entry
 - Please advise your guests of our protocols for face masks, hand sanitizer, and social distancing.
- **Tenants must establish a designated contact for building entry issues**

ONE GRAND CENTRAL PLACE

— 60 EAST 42ND STREET —

Safety Precautions For Building Common Areas (Lobby, Elevators, Corridors, Restrooms)

- **Social Distancing and Mitigation**
 - Please maintain six feet separation from others if you have not reached full vaccination status
 - Mitigate your risk by using a CDC-recommended face mask and with frequent hand washing and use of hand sanitizer
- **Face Masks**
 - All tenants and visitors are to wear face masks

ONE GRAND CENTRAL PLACE

— 60 EAST 42ND STREET —

- **Cleaning**

- We have increased the cleaning and disinfection of common areas with special emphasis on high touch areas
- We offer additional disinfection services for tenant offices. If you are interested, please ask your office manager

- **Do Your Part!**

- Use hand sanitizers before and after you touch any surface
- Gel dispensers are located at each lobby level elevator hall
- Please maintain six feet separation from others when possible
- Wear your CDC-recommended face mask
- Remind your colleagues and office guests to do the same

- **Deliveries**

- No deliveries will be permitted through the building lobby
 - Tenants must pick up food deliveries at the designated area
- All deliveries must be made via freight elevator
 - Freight elevators must be arranged via Workspeed request

ONE GRAND CENTRAL PLACE

— 60 EAST 42ND STREET —

Be Smart. Be Safe.

- **Take Responsibility**
 - Please maintain six feet separation from others when possible
 - Wear your face mask
 - Use hand sanitizers before and after you touch any surface
 - Wash your hands thoroughly, regularly
 - Remind your colleagues and office guests to do the same
 - Keep restrooms clean
 - Cover your mouth when you cough or sneeze
